

Carolina Pereira: Fuzzy Memories

[Show catalogue](#)

Carolina Pereira is a Brazilian multi-disciplinary artist and graphic designer whose works explore the interplay of memories, dreams, and the unconscious. Through abstract compositions and her use of textures, colors, and light, she captures the fragmented and elusive nature of these inner worlds.

Carolina is drawn to the contrasting mediums of rug tufting and neon bending, each offering unique qualities. The rug's gentle softness contrasts the coldness and rigidity of the glass, evoking a harmonious blend of comfort and warmth with vibrant bursts of color and texture that stir feelings of nostalgia.
