What is my role in tutorial sessions?

- Arrive to tutorial appointment on time
- Be prepared with a laptop or Ipad (phones do not allow to share screens/files)
- Be prepared with textbook, notebook, class notes, handouts, pen/pencil
- Come prepared with true attempt at assignments – homework or quiz/test questions will not be answered directly; similar examples will be shown.
- Be prepared to be engaged in the session – practicing problems, explaining steps.
- Be in a distraction-free environment: limit background noise such as music, people
 - Be appropriately dressed (no rolling out of bed in PJ look)
 - Have a positive attitude - learn *what to learn* while learning *how to learn*
