

# Welcome!

You’ve found a Mini Mystery from Oso Adventures!

We make scavenger hunts, puzzles, and adventures for fellow Baylor students to enjoy around campus. This little scavenger hunt is short and sweet, but there’s an awesome surprise for anyone who makes it to the end. So, what are you waiting for? Let’s get started!

Go to the coordinates (31.547581, -97.121911) to fill in the keyword below.

9	20	4	6	22	1

9	22	22	26	23	16	22	1	3

Once you have the keyword filled in, you should be able to solve the rest of the puzzle.

*(You may want to print this page out for this part, but I’m not gonna tell you how to live your life)*
